## **MAYOR HORNIK SIGNS AMENDMENT TO COMMUTER PARKING ORDINANCE**

**Allows Non-Permit Parking at Non-Peak Times**

**MARLBORO TOWNSHIP, NEW JERSEY (June 7, 2018)** – Mayor Jon Hornik, with the approval and consent of the Township Council, adopted an amendment to the Parking Ordinance on May 17, 2018. The Ordinance now allows cars to be parked without a permit, free of charge, at Township daily commuter lots Monday to Friday between the hours of 6:30 pm and 4:30 am and throughout the weekend.

Mayor Jon Hornik stated, “This Ordinance ensures that those who purchase permits for commuting to work are ensured a place to park, while allowing access to the residents who travel to the city during off-peak times.” He continued, “Additionally, rather than utilizing the pay-per-day lot at a daily fee, residents are now able to park their car free of charge at a lot closest to the bus stop for evening and weekend trips.”

The three parking lots requiring permits within the Township are the Union Hill Commuter Park and Ride, the lot at Cambridge Square, and the parking spots specifically noted as ‘commuter spaces’ at the Costco/Texas Road parking lot. The lot at Union Hill Recreation Park remains at \$3 per day at all times.

Township parking permits are required at the three commuter lots from Monday to Friday between the hours of 4:30 a.m. to 6:30 p.m. Prior to the amendment, the Ordinance required a Township parking permit to park at all Township permitted commuter lots at all times. The ordinance was adopted on May 17, 2018 and became effective June 7, 2018.

Marlboro Township Clerk administers the Township parking permits and can be contacted at 732-536-0200 ext. 1805.
