Not shopping for paper products saves time, money and fuel. You will be surprised how little garbage there is, and it is **much better for the earth!**

Use old cotton cloth instead of paper towel. Re-purpose those old concert 'T's that you don't know what to do with now! Have bins ready for soaking and carting plates, silverware, glassware and cloth. Make sure dishwasher is empty before guests arrive. **Any other ideas? Let us know!**
