

Marlboro Township Youth Exchange Program

2015 CALL FOR COMMITTEE MEMBERS, PARTICIPANTS AND VOLUNTEERS

The Marlboro Township Youth Exchange Program was founded in 1991 when our town forged a partnership with Nanto City in Japan and in 2011 it expanded to include a partnership with Wujiang, China. As part of the program, Marlboro students welcome students from these countries into their homes for a fun filled week of activities. The host children then have the opportunity to travel to the country of the students that they hosted for a one week homestay in our sister city as well as additional travel to further learn and understand the country and culture. This program has provided meaningful multicultural and educational experiences for all students and their families who have participated and has enabled people in the community to act as responsible global citizens working for peace and understanding in a diverse world. Marlboro Township is now accepting applications for host families to participate in this cultural exchange as well as seeking committee members and volunteers.
