Date: Wednesday, March 3, 2010

Heroin is here in Marlboro and in our neighboring towns. It's dangerous and it's deadly. Heroin use has long been associated with crime because its distribution is illegal and many addicted people turn to theft to obtain money to buy the drug. We must work together to protect our children and our community. Please join us and learn the signs and symptoms of heroin use.

Refreshments will be served.
