Spring Cleanup Information

Dear Marlboro Township Residents:

It is with great pride that we present to you the 2016 Township Recycling Calendar. Please take some time to go through the calendar and note the important dates and regulations that help our recycling program run smoothly. Recycling is not only environmentally responsible but affords the Township the opportunity to receive grants and rebates which ultimately improves services and reduces costs for residents.

Each year, the Township reports its recycling tonnage totals to the State of New Jersey. The more we recycle, the more funding we become eligible for. These grants fund paper shredding events, parks maintenance, activities, roadway clean-ups, public school recycling assemblies, open space preservation and the Adopt-A-Site program. The Township is always looking for residents to take an active part in beautifying the community.

Through the Township's volunteer "Green Team," we continue to maintain our Sustainable Jersey Certification, a designation reserved for those towns which have a proven track record and commitment to environmental sustainability. The promotion of environmentally friendly initiatives remains one of our top priorities.

A common thread in all that we accomplish is the work of our volunteers. If you or a group wishes to adopt a site or participate on any Township committees, please call (732) 536-0188 for more information.

Changing weather patterns and extreme weather conditions over the past few years have had a significant effect on our leaf and brush removal programs, resulting in delays and raising public safety, stormwater and even snow removal concerns. With yard waste in the street nearly all year, we have also noted that landscapers and others are taking advantage of Marlboro's robust program, leaving material which may not even originate here to be removed on our taxpayers' dime. On a side note, I will add that seeing yard waste in our streets all year really diminishes the appearance of our neighborhoods. Please be mindful of the program rules outlined in the following pages in order to ensure that all materials are picked up in the most timely and cost effective manner, and in compliance with the applicable laws.

So far, we have been very fortunate with our mild weather, but that can change at any time. So we ask that you review our new 'Surviving the Snow' brochure in the centerfold of this calendar. Our 'Plan and Prepare' can still be found in the Storm Section of our website. Please visit the "Communications for Residents" section on the Town Website to register for Facebook, Twitter, email blasts, and register your home and cell phones for "reverse 911". These methods, in addition to channel 77, are utilized to publicize town programs, meetings and events and, in times of emergency, alert and inform residents.

I hope you find this calendar to be a useful resource. As always, I thank you for your commitment to recycling and keeping our community safe and beautiful.

Very Truly Yours,

Mayor Jonathan L. Hornik

Marlboro Township Council: Jeff Cantor, Randi Marder, Carol Mazzola, Scott Metzger, Mike Scalea

CLEAN COMMUNITIES/RECYCLING

New Jersey Clean Communities has served as a source of financial support for Township programs since 1986. Specifically, program dollars have been utilized to offset the cost of recycling, park maintenance, road side cleanups, educational events and Community Pride Day. The Recycling Division Office also coordinates with volunteer groups to adopt and maintain areas of the Township. To engage your community group in an “adopt a site” initiative, call 732 536-0188.

Did you know?

The Marlboro Township Department of Public Works (DPW) is responsible for leaf, brush, and snow removal as well as general repair for 738 named streets, covering over 213 miles of roadway, parking facilities, creation and placement of road signage, line striping and public information signs.

DPW maintains over 233 acres of Township parks, playgrounds and recreation areas, as well as all vehicles and fuel for the Board of Ed, Water Utility, Fire Companies and First Aid Squads.

DPW maintains all facilities including the Municipal Complex, the recycling yard, the Municipal Swim Club, Recreation Center, Public Library, Morganville Senior Center and all First Aid Squad facilities.

DPW in partnership with Monmouth County hosts paper shredding and recycling events.

When available, residents can bring a container and shovel to the recycling yard and take home composted material for the garden.

MARLBORO TOWNSHIP DEPARTMENT OF PUBLIC WORKS

Township Drive, Marlboro
732 536-0188
publicworks@marlboro-nj.gov

The Department of Public Works (DPW) is responsible for the maintenance of all public property including roadways and infrastructure. Among many functions, the Department manages the recycling, leaf, brush and bulk waste collection programs, is responsible for the upkeep of park and recreation facilities and the removal of snow from roadways.

The Township is divided into zones for purposes of scheduling and delivering services in the most efficient manner possible. On an annual basis, DPW publishes this calendar of services.

The Township provides numerous leaf and brush removal pickup dates, which means that debris is in or near our road and sidewalk areas during many months of the year. It is critical that all debris be placed for pickup in accordance with the published schedule and regulations of the Township. Leaves and brush must not be comingled. After the pickup period has passed and the streets have been cleaned, no additional debris may be placed curbside until the next scheduled pickup. Aside from detracting from the appearance of our Township, debris left in the streets impedes the flow of stormwater and exacerbates flood conditions. It causes traffic and safety hazards for pedestrians, bicyclists and motorists and interferes with snow removal during the winter months. Landscapers or residents placing debris for collection in an unauthorized manner shall be required to remove the waste from the public right of way.

During the winter months, with leaf and brush removal coinciding with snow and ice accumulation, schedules necessarily become weather dependent. Complicating matters, trucks used for leaf and brush removal are also used for snow and ice removal. For example, trucks outfitted with sanders to treat the roadways cannot be utilized for leaf and brush pickup. As such, there are several leaf and brush collection cycles noted in the calendars as “*Weather Permitting*”. Based upon weather conditions and forecasts, the Office of Emergency Management (OEM) will determine whether or not winter leaf and brush collections will proceed according to the schedule. Residents will be notified in advance via Township email and social media if a collection will be postponed, in which case no debris should be placed for collection.

Please visit www.marlboro-nj.gov and click on “Communications for Residents” to ensure that you receive the most up to date schedule information. We appreciate your cooperation in recycling and maintaining the appearance and safety of our community.

HOW DO I DISPOSE OF...?

Batteries	Household batteries are to be put in the trash. Rechargeable Batteries and Cell Phone Batteries are accepted at certain retail stores such as Batteries Plus, Home Depot and Lowes. Call 877- 2Recycle or visit http://www.call2recycle.org/nj for more information.

RECYCLING COLLECTION

The Department of Public Works contracts with a private company for curbside recycling services. Recyclables are collected every other week by recycling zone and should be placed at the curb by 7:00am on the specified collection day. There will be no pickup on Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and New Years Day.

All food, beverage and detergent containers should be rinsed and placed together (comingled) in an unlined, rigid, reusable plastic container or garbage can. The container should be no larger than 32 gallons and should not have an attached cover. If you choose to have a cover that is not attached, please make sure the container and cover are both labeled "RECYCLE". Only items placed at curbside will be collected.

COMINGLED MATERIALS

- Aluminum food and beverage containers
- Glass food and beverage containers
- Iron cans
- Plastic containers with the symbol #1 (with screw tops only)
- Natural plastic containers with the symbol #2 – narrow neck containers only (milk and water bottles)
- Pigmented plastic containers with the symbol #2 – narrow neck containers only (detergent, shampoo bottles)
- Plastics with symbols #3, #4, #5, #6 and #7 – narrow neck and screw top containers

MIXED PAPER

- Newsprint
- Corrugated cardboard
- Magazines/Catalogs
- Cereal boxes
- Telephone books
- Printer/Copier paper
- Junk Mail
- All other office paper w/o wax liners
- Wrapping Paper (non-metallic)

RECYCLING CENTER

HOURS OF OPERATION

Mondays and Wednesdays from 8:00am to 1:30pm and Saturdays from 8:00am to 4:00pm.

BULK TRASH PERMIT

All bulk trash deposited at the Center requires a free of charge Bulk Permit. Permits are available at the Recycling office, Monday to Friday 7:00am -3:00pm. Proof of residency is required. Call 732 536-0188 or email publicworks@marlboro-nj.gov for additional information.

PUBLIC WORKS EMERGENCIES

The Recycling Center may close in the event of emergencies including snow or ice removal.

GUIDELINES

- Marlboro residents with proof of residency only (Driver's License or utility bill)
- No vehicles with commercial, farmer or dealer plates.
- Only clean recyclables are accepted at the Center. No items may be left outside the fence when the facility is closed.
- No hazardous materials, concrete, bricks or construction debris are accepted.
- Leaves must be emptied from non-biodegradable bags or containers.
- Brush must be bundled in accordance with Township regulations.
- Cardboard must be bundled in 2' x 2' x 1' stacks.
- Propane tanks must be emptied with valves open for at least 24 hours.

BULK/SPRING CLEAN-UP COLLECTION

The Department of Public Works contracts with a private company for the annual Spring Bulk Trash Collection which is organized by zones and takes place between April 20 and May 18, 2015. Items collected include household items such as sofas, chairs, tables, carpeting, refrigerators, washers, dryers, ovens, barbecue grills (without the propane tank) and toys. Items to be picked up must be placed neatly at the curb by 7:00am of the first scheduled pickup day. Once a street has been completed, the contractor will not return to that street.

- Appliances such as refrigerators, washers and dryers must have doors removed (note that the contractor may collect these items in a separate pickup).
- Fencing, decking and other discarded lumber must be cut to a maximum length of four (4) feet. Treated lumber will not be accepted.
- All containers and drums must have one end removed to ensure that no liquid, chemical or hazardous materials are present.
- Separate metal from other debris.
- No single item may weigh more than 300 pounds, and the total items placed at any residence must not exceed more than five (5) cubic yards. Do not combine your bulk with your neighbor's bulk.
- All metal and wood swing sets must be disassembled and concrete footings removed for pickup.

Weather Permitting

The Office of Emergency Management (OEM) will notify residents via email and social media whether or not collections will be suspended due to weather conditions, in which case no debris shall be placed curbside. Residents may bring brush to the Recycling Center. Refer to "Recycling Center Guidelines".

Frequently Asked Questions

1. What zone am I in?

Refer to the Street by Street Zone Listing section of the calendar, or call 732 536-9295, email publicworks@marlboro-nj.gov or go to www.marlboro-nj.gov/dpw_recy_schedule.html#lookupzone.

2. What happens if I put items out after the scheduled pick up date?

Recyclables, bulk trash, leaves and brush may be brought to the Municipal Recycling Center or you may contact a private hauler.

3. What should I do if my recycling collection is missed?

If you placed your recyclables curbside prior to 7:00am on your scheduled pick up day and recyclables are not collected by 5:00pm, call the Recycling Office at 732 536-9295 or email publicworks@marlboro-nj.gov.

4. How do I obtain a bulk trash permit?

Residents are permitted to bring bulk trash to the Recycling Center. A free of charge bulk trash permit is required which can be obtained at the Recycling office Monday through Friday, 9:00am to 3:00pm. Refer to "Recycling Center Guidelines".

5. Who do I call if my street light is out?

Street lights are owned and operated by Jersey Central Power and Light (JCP&L). JCP&L can be reached at 1-888-LIGHTSS (888-544-4877) or www.firstenergycorp.com/content/customer/service_requests/report-lighting-problem.html.

SNOW REMOVAL FACTS AND GUIDELINES

Snow removal activities are conducted by the Department of Public Works and private contractors. The following rules, facts and tips are offered so that DPW can safely and efficiently remove snow and ice from Township roadways:

Rules

- No debris (including leaves and brush), garbage cans or basketball hoops shall be placed in roadways. Anything left in the roadway during winter weather conditions impedes the Township's ability to clear the streets, increases the risk of damage to your property and jeopardizes the safety of the equipment operators.
- When snow is on the way, all vehicles must be removed from the roadways.
- Snow may not be shoveled, blown or plowed into the roadways.

Facts

- Marlboro is 32.5 square miles and DPW is responsible for clearing approximately 200 miles of roadway.
- Roads are generally treated with de-icing agents two times during one storm event, once prior to and once following snow removal.
- DPW will open the roads on the first pass and then plow curb-to-curb.
- In the event of 4 inches of snowfall, it takes approximately 10 hours to complete one circuit through the Township.

Tips

- **Wait until DPW has made one pass before clearing your driveway.**
- Parking vehicles in your driveway gives you less snow to remove and a drier surface.
- Arrange cars so that the first car that has to get out is the last parked in your driveway.
- When clearing snow, where possible, pile the snow to the right of the driveway (looking out to the street from your house).
- The United States Postal Service asks customers to clear enough snow from their mailboxes to allow mail trucks to approach the box, deliver the mail and drive away.
- Fire hydrants located on your property should be cleared of snow to prevent the lines from freezing and allow access in case of fire.

Dear Neighbor,

I am pleased to present our new **Surviving the Snow** brochure; a continuation of **Plan and Prepare** included within previous annual mailings and available on the Marlboro Township Website. Snow has become a regular part of New Jersey Winters and this brochure offers tips and information on Surviving the Snow.

Our Department of Public Works is on the job day and night when expecting severe weather of any kind; countless hours of prep before, and time in the field during and after a snow event. Snow is challenging and Marlboro Township has been a leader in keeping 200 miles of roadway clear and safe.

We are fortunate to have volunteer 1st Aid Squads, Fire Departments and a Community Emergency Response Team (CERT), as well as a Police Department that is always ready to assist. For non-emergency situations, please call Marlboro Police at 732-536-0100. Always dial 911 for emergencies. Be assured that if you have an emergency, our teams will get to you, even in the event that your street or driveway has yet to be cleared.

Please help by following the tips provided here, keeping informed and helping your friends and neighbors to do the same. Visit our website and register to receive news by phone, email and follow us on social media. If you do not have a computer you may register your phones by calling (732) 536-0100 ext. 1412. Together as a community, we can weather any storm.

Mayor Jon Hornik

IMPORTANT INFORMATION

Marlboro Township is 32.5 square miles and our Department of Public Works (DPW) is responsible for 200 miles of roads. This does not include State and County roads or roads in private developments.

Roads are treated twice during a storm event; before and after melt and re-freeze, and may be treated a third time if over 24 hours.

It takes about 10 hours for DPW to clear a 4" snowfall. More snow takes proportionately more time. For example, it will take about 20 hours to clear an 8" snowstorm.

All vehicles must be removed from the street to allow for snowplow access.

Do not shovel or blow snow into roadway. This causes a hazardous condition and is a violation of Marlboro Township Ordinances.

Parking on driveway will decrease the amount of snow to shovel and allow for a drier surface when pulling out. Park vehicles on your driveway so that the first car that has to get out is the last one parked.

Property Damage, such as basketball hoops, hockey nets, potted plants, etc. that are damaged during snow removal are NOT the responsibility of Marlboro Township. Remove such items prior to snow fall.

Please be aware that snowplows will deposit some snow at the end of your driveway. As plows drive by, snow will fall into an empty space. To lessen the volume, wait to shovel or leave 4 feet of snow at end of your driveway until after the snowplows have completed at least one pass.

**REPORT POWER
OUTAGES TO JCP&L

Freezing Rain - Rain that freezes when it hits the ground, roads, walkways, trees and power lines.

Sleet - Rain that turns to ice pellets before reaching the ground. Sleet causes roads to become slippery.

Winter Weather Advisory -

Winter weather conditions are expected to cause significant inconveniences and may be hazardous.

Winter Storm Watch - A winter storm is possible in your area. Tune in to NOAA Weather Radio, commercial radio, or television for more information.

Winter Storm Warning - A winter storm is occurring or will soon occur in your area.

Blizzard Warning - Sustained winds or frequent gusts to at least 35 miles per hour, falling or blowing snow, reduced visibility conditions lasting 3 or more hours.

Frost/Freeze Warning - Below freezing temperatures are expected.

KNOW THE TERMS

CHECK YOUR CAR

Check or have a mechanic check your car: Antifreeze levels, battery and ignition system, brakes, exhaust system (carbon monoxide is deadly and usually gives no warning), fuel (a full tank prevents fuel line from freezing), air filters, heater and defrost, lights and hazards, oil (heavier oils may congeal in cold and may not lubricate as well), thermostat, Windshield wipers, good winter tires - (consider chains or studded snow tires). **Have on hand:** scraper, portable shovel, sand and/or salt, snacks, boots, warm gloves, car lock de-icer.

Before winter approaches, add these supplies to your emergency kit and assure that these are accessible in extreme snow conditions:

Rock salt or more environmentally safe products to melt ice on walkways. Visit the Environmental Protection Agency for a complete list of recommended products.

Sand to improve traction.

Snow shovels and other snow removal equipment.

Sufficient heating fuel. You may become isolated in your home and regular fuel sources may be cut off. Store a good supply of dry, seasoned wood for your fireplace or wood-burning stove.

Adequate clothing and blankets to keep you warm.

Water Proof Gloves and Boots

Weather Sealing Tape to temporarily address drafts or broken windows due to storm damage.
