A request for access to Government Records must be submitted on this form which has been adopted by the Municipal Clerk as the Custodian of Records. This request may be filed in person

or by mail, fax or electronically. The term "government records" generally includes those records determined to be public in accordance with *N.J.S.A. 47:1A-1*. The term does not include employee personnel files, police investigation records, public assistance files or other matters in which there is a right of privacy or confidentiality or interagency or intra-agency advisory, consultative, or deliberative material or other material which is specifically exempted by law.

Some records will be immediately available during normal business hours. Some records will require time to compile and to make the copies requested, but will normally be available during normal business hours and within seven (7) business days. If any document or copy which has been requested is not a public record or cannot be provided within the seven (7) business days, you will be provided with a response with that information within the seven (7) business days and, if applicable, the response will indicate the time which will be required to provide the records. In general, the following apply to this request:

- Immediate access is ordinarily available to budgets, bills, vouchers, contracts, including collective negotiations agreements and individual employment contracts, and public employee salary and overtime information. Minutes of public meetings will generally be available immediately after the minutes have been approved.
- Except as otherwise provided by law or regulation, the fee assessed for the duplication of a printed record shall be: first page to tenth page, \$0.75 per page; eleventh page to twentieth page, \$0.50 per page; all pages over twenty, \$0.25 per page; for a police accident report there is an additional fee when the request is not made in person of \$5.00 for the first 3 pages and \$1.00 for each additional page, as provided by *N.J.S.A. 39:4-131*. There is no fee involved in simply inspecting documents during normal business hours. The Municipal Clerk will advise you of any deposit requirements.
- Where a request is for a copy in a format other than a photocopy, reasonable efforts will be made to provide the information in the format requested. The cost will be based on the costs of producing the format requested.
- You may be denied access to a government record if your request would substantially disrupt agency operations and the custodian is unable to reach a reasonable solution with you.
- Where a legal determination must be made as to whether records are "public records" as provided by law, the request will be reviewed by the Municipal Attorney.

**Applicant certifies that he or she has not been convicted of any indictable offense under the laws of this State, any other state or the United States and is not seeking government records containing personal information pertaining the victim or the victim's family (*N.J.S.A. 47:1A-1, et seq.*)**
