Mayor's Aide
Peggy Gamza

Dear Marlboro Business Owner:

FREE PROMOTION OF YOUR BUSINESS!

With a little cooperation from Marlboro Business Owners, and the pledged support of Mayor Hornik and our Township Council, the newly formed Marlboro Teen Advisory Committee (TAC) is creating a FREE Classified Jobs Section on the Marlboro Township Website that will benefit your business.

By way of background, TAC (now in excess of 120 teens) was recently created as both a leadership organization and as a way for Marlboro's teens to have a voice in local government. TAC's initial presentation to the Town Council included a discussion of the difficulty that our Town's teens have finding and securing part-time and summer employment, and a recommendation that a Classified Jobs Section linking Marlboro's businesses in need of part-time and summer help with Marlboro's teen work force be added to the Town website. The Hornik administration has embraced TAC's recommendation, and authorized the project to proceed.

By posting "help wanted" listings on our Township website, you will save time and money and will attract hard working Marlboro Teens. Should you agree to participate, your business will receive a certificate from the Town acknowledging your support of TAC, and will be identified as a TAC supporter on the soon to be created Economic Development page of our Township website.

If you are interested in posting a "help wanted" listing on our Teen Classified Jobs page on our Township website, **please contact TAC by Friday April 11, 2008** by e-mail economicdevelopment@marlboro-nj.gov or by phone 732-536-0200 (ask for Peggy Gamza). TAC is an active participant in Mayor Hornik's "Do Good" initiative, and we strive to be proactive. Please join us in this endeavor to make Marlboro a better place for both Teens and Businesses!

Sincerely,
Alex Levine, Age 16
The Teen Advisory Committee
