

The Zoning Office is now handling the **CCO (Non UCC) INSPECTIONS** (both **Commercial and Residential**). You can pick up an **Application Package** or download one from our website www.marlboro-nj.gov .

MERCANTILE LICENSE APPLICATIONS are also available for Commercial CCO's (Non UCC).

The Zoning Office also handles Permits for **SHEDS** that are 100 sq. ft. or less, **FENCES** that do not involve pools, and flat, on the ground **PATIOS, WALKWAYS** and **DRIVEWAYS** and certain **SPORTS COURTS**.

Of course, we will continue to help with Zoning Classifications, Variance Applications, Complaints about violations of the codes, and we are always glad to help direct you to the correct Department if you have a problem that you need some help or guidance with.

HAVE A GREAT DAY!!!!
