BUDGET MESSAGE

The last five (5) years of extreme weather have presented tremendous challenges for the delivery of services. In 2010 and 2011, we experienced Halloween and Christmas snow storms which shut down parts of the State for days. In 2012, it was Superstorm Sandy. The winter of 2013/14 delivered record snow fall levels, and five (5) separate State of Emergency declarations. The winter of 2014/15 brought us dangerous ice conditions and long drawn out periods of wet weather followed by record-breaking cold temperatures, and two (2) States of Emergency declared by the Governor. Thus far in 2015/16, we have faced only one significant storm, albeit one which dumped more than two (2) feet on Marlboro and resulted in the Governor declaring a State of Emergency ("Winter Storm Jonas"). I think I speak for all of us when I publicly commend and congratulate the Department of Public Works for digging us out and keeping us safe during that long weekend.

The cost of delivering services in the context of extreme weather continues to drive the operating budget. Budgets of recent years have had to absorb dramatically increased costs for snow removal - the 2016 allocation for this purpose has increased by 432% since 2007. The 2016 proposed operating budget includes approximately \$498,000 in costs related to the Winter Storm Snow Emergency declared by the Governor. Yet, from an historical perspective, it is notable that excluding Superstorm Sandy and Snow Emergency costs, appropriation items generally established at the local level in 2016 have actually decreased since 2007. Budgeted costs for items mandated by the State of New Jersey have increased by approximately \$3.17 million or 58.16% over the same period.

This proposed budget is under the State levy cap by \$2.4 million, and is also \$1.7 million under the State spending cap. The Township is well under the State established limits on both taxation and spending.

As I have reported over the last several years, we have held budget increases in check through a reduction in full time employees -by 11.4% since 2007-consolidating government departments and authorities, working with employees to trim salary and wage costs, and cutting operating budgets through efficiency measures. The Township and employee groups have negotiated new contracts at a net cost increase at or under 2% while reducing the number of paid days off, and have curtailed or eliminated the practice

of paying out accrued sick time and health benefit incentives upon retirement. These new contracts have allowed the Township to continue to expand our availability to the public utilizing existing staffing levels. I am pleased to report that with the 2016 budget, offices within our Community Development Department which include Construction Code Enforcement ("Building"), Engineering, Planning, Zoning and Fire Prevention have returned to a five (5) days per week schedule. The Recreation Department continues to be open to the public five (5) days per week as will the Department of Public Works offices as begun in 2015. The remaining administrative offices will continue to operate on a reduced furlough, four (4) day work week schedule without disruption in service while continuing the flex and alternative work schedules which increase availability to the public on certain evenings and even weekends.

Reducing the size of government has not diminished our successes nor our ability to plan for the future. For example, during my term in my office, we have increased programming for our senior citizens by 27%, and in our 2016 proposed budget, we have allocated additional resources for health and wellness programs. We have also continued to invest in our infrastructure, made possible due to the Township's strong financial footing and historically low interest rates. During a period when many municipalities and even the State of New Jersey have received credit rating downgrades, I am very proud of the fact that the Township received an upgrade from the bond rating agency Standard & Poors in 2015. What makes this so noteworthy is that is-an outside and independent agency has validated the Township's financial strength and stewardship. A strong credit rating also impacts the bottom line, in this instance, resulting in a \$200,000 reduction in interest payments on our borrowing for capital improvements. With a debt level less than one-fifth the statutory limit and budgeted debt service at the lowest levels as a percentage of the budget since prior to 2003, we continue to pursue an aggressive capital program. It makes financial sense, and is also a necessity if we wish to maintain our competitiveness, preparedness and our reputation as the premier place to raise a family and locate a business.

BUDGET MESSAGE		
<p>Towards this goal, over the past year, we have launched a number of notable capital projects, particularly in the area of road and traffic intersection improvements. Acknowledging the toll the extreme weather has taken on our roads, in 2015, we completed more than \$3 million in road improvements, triple the amount normally allocated. Also, after much anticipation, Monmouth County completed the paving of Route 520, and made intersection improvements at Route 520 and Gordons Corner Road and Route 520 and Wyncrest Road. We also received approval and a 75% grant from the New Jersey Department of Transportation (NJDOT) for long-awaited improvements to the traffic intersections at Wyncrest and Route 79 and Route 520 and 79. I want to acknowledge the efforts of our Traffic Safety Committee for highlighting the areas in need and for its persistence in helping bring these projects to fruition.</p> <p>Our capital plan will continue to focus on roads and improvements to walkways and traffic intersections to improve vehicle safety as well as enhancing the walkability of our community. We continue our work to preserve more acres of open space and farmland in lieu of new residential development. I am very proud that in 2015, Marlboro received its largest Green Acres grant towards the purchase of open space in its history, and the largest awarded to any New Jersey community in 2015, totaling \$825,000. This is a tribute to the hard work and dedication of open space and farmland preservation volunteers, and our overall commitment to open space preservation. These funds will be utilized to protect additional acres of land from development. Of course, we remain excited at the prospect of the old State Psychiatric Hospital's transformation into 411 acres of open space which will be preserved for generations to come. The State completed the clean-up of the site in 2015 and continues to transition the property to the Monmouth County Park system as open space for all to enjoy.</p> <p>As we learned all too well with Superstorm Sandy, the Township cannot rely on outside agencies for power, water, fuel and shelter for our citizens during times of emergency. With the assistance of a \$250,000 grant from FEMA, we completed backup generator improvements at the Recreation Center, and implemented upgrades to our water supply and distribution infrastructure. In 2016, with a 75% grant, we are looking forward to NJDOT completing the upgrade of several traffic intersections so that they will remain fully functional during a power outage. The new water treatment facility on Tennent Road will be operational this year, and the reconstruction of an existing facility on Harbor Road is in progress, all with 75% interest free financing representing a substantial savings to customers. As a result of these favorable terms, we are able</p>	<p>to undertake these projects without any change in water user rates. Most importantly, these improvements will help reduce reliance on outside water suppliers and ensure the continuity of operations during periods of power disruption.</p> <p>As I have said many times before, we realize that reducing the size of government is not a fixed goal, but a process by which we constantly review our service offerings and attempt to deliver them more efficiently. Where separate governmental agencies are redundant, we dissolve them as we did with the consolidation of water supply operations. Where multiple agencies claim overlapping jurisdiction, we merge them. In 2012, we combined the Recreation and Swim areas into a single utility which will raise the revenue necessary to support its program offerings through user fees. Where goods and services can be secured more cost effectively through partnerships, we form new cooperative purchasing efforts. In 2015, we continued our partnership with the Marlboro Board of Education for architectural and custodial services and continued to cooperatively purchase electricity, yielding substantial savings for taxpayers. In addition, for the first time, the Board, through its contractor provided food concession services at the Swim Club. In 2015, we worked with the Marlboro Board of Education and Freehold Regional High School District to share in the cost of the School Resources Officer program, which puts police officers trained in educating, counseling, and protecting the public in our schools. We also continued our partnership with Matawan Borough for the provision of animal control services. And where public services can be performed more efficiently elsewhere, we continue to look to the private sector. For example, the Department of Public Works (DPW) has had great success contracting out maintenance of preserved open space parcels, adding locations resulting in substantial savings. DPW has also contracted out for snow removal and maintenance of our commuter parking lots, freeing up critical resources dedicated to snow removal on our Township roadways.</p> <p>So we continue to improve efficiency while reducing spending, and have succeeded in doing so without degrading the quality and breadth of services offered. We have overcome a structural budget imbalance so that the Township's finances no longer rely on non-recurring revenues. And as in years past, we continue to be aggressive in efforts to attract new clean commercial ratables-more than \$97 million and 937,000 square feet since 2008--through our Economic Development Committee. <p>Rewards program has received national acclaim, has now been replicated in 15 other towns and is off and running. Now in its second fiscal year, more than 3,600 Marlboro families take advantage of this program, and more families register every week. Participating businesses have realized \$2.9 million dollars in sales directly attributable to the Shop Marlboro Tax Rewards Program and residents have saved \$187,000 on their tax bills since the program's inception. By patronizing local businesses, fortifying the commercial tax base and reducing their own property tax bills, Marlboro's reputation as a premier destination to open a business and to shop has never been brighter.</p> <p>Another independent assessment of the Marlboro's finances comes from the Township's independent auditor. We have now had four (4) consecutive annual audits without any negative comments or recommendations, a testament to the Township's financial house being in order. More importantly, after years of reducing spending and the reliance on non-recurring revenues, the Township's budget picture has stabilized. With strong operating results of operations in 2015 and an improved balance sheet, the Township adopted a 2015 budget which reduced the Amount to be Raised by Taxation. The proposal for 2016, taking into account the declared Winter Storm Jonas emergency includes an increase in the Amount to be Raised by Taxation of approximately \$16 per quarter. This results in a total cost of \$1,812 for the average household valued at \$494,873 for all municipal services including police, parks, public works and road improvements. It is important to note that approximately 50% of this projected annual increase or \$32 is directly attributable to the declared snow emergency, for which the Township is pursuing reimbursement of storm-related expenses through the Federal Emergency Management Agency (FEMA), a process which unfortunately can take years to unfold.</p> <p>With spring just around the corner, I look forward to seeing you at the many great community events we have in our Town, and working to maintain the quality of our neighborhoods and enhance the quality of life in Marlboro. I once again thank the residents, business owners, volunteers, Township and school employees who continue to help make Marlboro great.</p>	<p>Local Government Cap Law, N.J.S. 40A:4-45.1 et seq</p> <table border="0"> <tr> <td>Total General Appropriations Prior Year</td> <td style="text-align: right;">34,819,977.00</td> </tr> <tr> <td>Total Adjustments</td> <td style="text-align: right;">0</td> </tr> <tr> <td>Exceptions:</td> <td></td> </tr> <tr> <td> Other Operations</td> <td style="text-align: right;">1,472,321.00</td> </tr> <tr> <td> Total Public-Private Offset</td> <td style="text-align: right;">94,394.00</td> </tr> <tr> <td> Total Capital Improvement</td> <td style="text-align: right;">175,000.00</td> </tr> <tr> <td> Total Debt Service</td> <td style="text-align: right;">2,704,515.00</td> </tr> <tr> <td> Total Deferred Charges</td> <td style="text-align: right;">247,200.00</td> </tr> <tr> <td> Reserve for Uncollected Taxes</td> <td style="text-align: right;">2,325,755.00</td> </tr> <tr> <td> Total Exceptions</td> <td style="text-align: right;">7,019,185.00</td> </tr> <tr> <td> </td> <td></td> </tr> <tr> <td>Amount on which Cap is Calc.</td> <td style="text-align: right;">27,800,792.00</td> </tr> <tr> <td> </td> <td></td> </tr> <tr> <td>Cap @ 3.5%</td> <td style="text-align: right;">973,027.72</td> </tr> <tr> <td> </td> <td></td> </tr> <tr> <td>Total Allowable Operating Approp.</td> <td style="text-align: right;">28,773,819.72</td> </tr> <tr> <td> </td> <td></td> </tr> <tr> <td>Cap Bank:</td> <td></td> </tr> <tr> <td> 2014</td> <td style="text-align: right;">798,508.30</td> </tr> <tr> <td> 2015</td> <td style="text-align: right;">540,349.68</td> </tr> <tr> <td>Total Available Cap Bank</td> <td style="text-align: right;">1,338,857.98</td> </tr> <tr> <td> </td> <td></td> </tr> <tr> <td>Assessed Value of New Constr.</td> <td style="text-align: right;">101,767.36</td> </tr> <tr> <td> </td> <td></td> </tr> <tr> <td>Allowable 2016 Approp within Cap</td> <td style="text-align: right;">30,214,445.06</td> </tr> <tr> <td>Current Inside Cap*</td> <td style="text-align: right;">28,476,440.36</td> </tr> <tr> <td>OVER/(UNDER)</td> <td style="text-align: right;">-1,738,004.70</td> </tr> <tr> <td> </td> <td></td> </tr> <tr> <td>* Excludes Declared State of Emergency Costs for Snow Removal</td> <td style="text-align: right;">497,971.12</td> </tr> </table>	Total General Appropriations Prior Year	34,819,977.00	Total Adjustments	0	Exceptions:		Other Operations	1,472,321.00	Total Public-Private Offset	94,394.00	Total Capital Improvement	175,000.00	Total Debt Service	2,704,515.00	Total Deferred Charges	247,200.00	Reserve for Uncollected Taxes	2,325,755.00	Total Exceptions	7,019,185.00	 		Amount on which Cap is Calc.	27,800,792.00	 		Cap @ 3.5%	973,027.72	 		Total Allowable Operating Approp.	28,773,819.72	 		Cap Bank:		2014	798,508.30	2015	540,349.68	Total Available Cap Bank	1,338,857.98	 		Assessed Value of New Constr.	101,767.36	 		Allowable 2016 Approp within Cap	30,214,445.06	Current Inside Cap*	28,476,440.36	OVER/(UNDER)	-1,738,004.70	 		* Excludes Declared State of Emergency Costs for Snow Removal	497,971.12

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year.

If no Capital Budget is included, check the reason why:

- Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.
- No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

- A multi-year list of planned capital projects, including the current year.

Check appropriate box for number of years covered, including current year:

- 3 years. (Population under 10,000)
 - 6 years. (Over 10,000 and all county governments)
 - ___ years. (Exceeding minimum time period)
- Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.
