

## The Monmouth County Library—Library in the Palm of *Your Hand*

The Monmouth County Library wants to make sure that everyone has the smartest card of all – a library card. Snoopy, the ambassador for National Library Card Sign-up Month invites you to get a Monmouth County Library card. We invite you and your residents to visit your local library to check out books, DVDs, audiobooks, and music CDs. Enjoy our many free programs including concerts, lectures, movies and book discussions. We have programs for all ages and stages from babies to seniors.

With the library card, you also have your Library in the Palm of your Hand. Did you know that your Monmouth County Library Card enables you to download and read eBooks, listen to audio books, download magazines and even stream videos to your computer, tablet or mobile device? Your library card also allows you to access our online research tools: you can learn how to use the latest software, search newspapers, find help starting a business or changing careers and research upcoming school projects. We even have classes online. You can learn the latest software and web design tools, other languages and lots of other classes from Algebra to Yoga. You can use many of these free research tools from home with your library card.

All of the programs and services at the Monmouth County Library are free and you can find out more about our events and services at [www.monmouthcountylib.org](http://www.monmouthcountylib.org). Download our mobile app at [monmouth.boopsie.com](http://monmouth.boopsie.com) to get the Monmouth County Library in the Palm of *your Hand*.

National Library Card Sign-up Month runs through September. We hope that you make your local library one of your stops as you and your family head on back-to-school.
