Dear Resident:

As we begin 2011, I want to reiterate my appreciation and thanks to all who weathered last week's snow storm. Special thanks go out to all of the volunteers, employees, contractors and citizens who worked hard to clear snow from Township roadways. You have heard by now that this blizzard, with its significant snow accumulation and fierce winds, ranked among the worst to ever hit this area.

While our community fared better than many of our neighbors, I acknowledge that some were frustrated with the pace of the clean up effort in Marlboro. As I am one who believes that there is always room for improvement, we are currently reviewing the results of this past storm to determine how to better serve the public during the next emergency. While it is my hope that a few more decades pass before we experience another storm of this magnitude, please be assured that we will learn from the events of the past week and gear up for the next one to come our way to the maximum extent possible.

As always, please do not hesitate to contact me with your comments and concerns. Again, I thank you for your patience and understanding and wish you and your family a very happy 2011.

Sincerely,

Jonathan L. Hornik
Mayor
