Marlboro is a very diverse community with different heritages. To promote harmony, cultural diversity, and friendship to the local residents, the Marlboro Township Multi-Cultural Day committee will be hosting the second "Marlboro Cultural Day" in this fall. Please join us and enjoy meeting your neighbors of various ethnic groups and learn from each other's cultures in this exciting event. So far, representation from Chinese, Greek, Indian, Italian, Russian, and Vietnamese are confirmed, and there will be a Unity Day essay contest. We need more volunteers from Egyptian, Korean, Irish, Israeli, Spanish, and others. If you and your ethnic group are interested in participating in this event, please contact
