- Medical Operations
- Medical Triage
- Damage Assessment
- Fire Suppression
- Fire Chemistry
- Hazardous Materials
- Utility Control
- Light Search & Rescue
- Full Disaster Simulation

WHY TAKE THE CERT TRAINING?

Well, it's like paying for car insurance. You might never need it, in fact you hope you won't. But if the occasion arises, having the CERT training, just like having car insurance, means you're as ready as you can be to help yourself, your family and your neighborhood in an emergency situation.

Class members receive 25 hours of initial training. CERT is provided free of charge to Marlboro residents 18 or over.

Classes are taught year-round. CERT members are trained in basic disaster response skills such as fire safety, light search and rescue, team organization and disaster medical operations. You will learn how to prepare for emergencies, what supplies you should NOW have in your house, how much food, how much water but most importantly, how to protect your family in an emergency!

It is important to know, if a major disaster occurs, the Marlboro Township Police, Fire Departments and First Aid Squads ...MAY TAKE A LONG TIME TO COME! They will be deployed FIRST to major incidents such as collapsed buildings. That is why you constantly hear...You MUST be prepared to take care of yourself. In the CERT course they say...

"The Greatest Good for the Greatest Number of People"

When you are trained, you are far more equipped to deal with your circumstances without needing aid from outside sources.

This was a CERT call-out to assist during the Hurricane Irene. CERT members were a great help during this difficult time by directing traffic, giving direction and information & patrolling Monmouth County. This freed up emergency personnel for more critical tasks.

If a major disaster hits, do you ...

- have enough supplies for a minimum of 72 hours up to an entire month for all family members, including pets?
- know how to turn off the gas?
- know how to safely turn off the power?
- know how to apply first aid?
- have enough water for all of your family and your pets?
- have provisions for living outside your home for a length of time if the structure is compromised?

Take CERT training for:

- Yourself
 - Your family
 - Your workplace
 - Your neighborhood
- CERT Classes Are FREE!**
