

SUBJECT: PET LICENSE DEADLINE APRIL 30

## **FINAL REMINDER**

As a reminder, pet licenses are due for renewal January each year. A copy of the application with instructions and fees may be found [HERE](#) or on our town website. **Please note that a \$15 per animal late fee will be assessed beginning May 1 through June 30. As of July 1, a \$50 fine applies.** Pet licenses can be mailed or brought to town hall.

### **Avoid the pet license late fee!**

License your pet prior to the April 30 deadline.  
A \$15 per animal late fee will apply as of May 1.

Beginning in May, the Marlboro Township Police Explorer Post in conjunction with the Marlboro Township Animal Control Unit will be conducting their annual cat and dog canvas. The Explorers will be going door to door providing information to residents regarding the proper procedures for licensing cats and dogs within the township. Dogs are required by state law to be properly licensed and immunized and, for the safety of others, will require proof of licensing to be allowed into the Marlboro Township Dog Park located at the Recreation Center.

**If you have acquired a new pet or a prior pet is no longer with you, please see the application for additional information.**
