

# MARLBORO & MORGANVILLE FIRST AID

Dear Neighbor:

Spring 2013

Marlboro Township is fortunate to have 2 first aid squads, responding to calls for help from you, your neighbors and relatives. Both squads provide **FREE** emergency services, 24 hours a day, 7 days a week, 365 days a year. Weekends and Holidays are no exception.

Your contribution supports ongoing maintenance of building and equipment. Both Marlboro FAS and **Morganville FAS** provide free training and continuing education to their members who volunteer hundreds of hours per year to serve our community. Please consider sponsoring a class, visual aids, equipment, etc. so we may continue to practice the latest skills in EMS.

When you see the back of one of the First Aid and Rescue Squad ambulances, you can be sure that either someone *was helped, is being helped or will be helped*. **Please don't turn your back on us**. Donate **AGAIN**, Now!

Please visit the respective website to donate to the squad servicing your section of town: The Squads operate independent of each other...**BUT**...we are one town with one focus....to serve the first aid needs of our town.

Please send your **TAX DEDUCTABLE** contribution *today*. You or your neighbors, friends and family, may need us *tomorrow*.

If your employer offers a matching gift program, please let us know. We will complete the forms for you.

Please consider setting up an automatic donation. As long as there is a need for an Emergency Medical Technician, there will always be a need to support our operations.

Thank you:

Ps: A special thank you to our Township for sending you this email. It is yet another way they support our efforts to provide you with Emergency Medical Services.
