School's Out!

With Minds in Motion of N.J.

SOLAR SPACE FLEET WORKSHOP

Build and take home your very own Solar Space Fleet!

The Solar Space Fleet is an innovative solar-powered science project that can transform into seven different working models including a Space Station, Robot, Rover, Vehicle, Astronaut, Shuttle, and Dog. Watch as it moves around and speeds up or slows down depending on the intensity of light as you learn, experiment, and have fun with solar power! Each complete model is powered by your very own mini rechargeable battery.

Students will also free-build with hundreds of robotic parts and control their robotic creations using remotes and engines to see who can build the strongest and fastest robot.

Each child must bring a lunch, 2 snacks, and drink each day.

When: March 29 - 30 - 31

Ages: 5-12 year olds

Where: Marlboro Recreation Center

Time: 9:00am - 3:00pm

Fees: \$180.00 per resident \$190.00 per non-resident

Pre-registration required for this event.

(Emergency services benefit does not apply for this program)

Deadline: March 25, 2016

Register at: <https://register.communitypass.net/marlboro>
