

Dear resident,

The National Weather Service has issued a Severe Thunderstorm Watch in our area and throughout most of the state until 10pm this evening. My office has been in contact with JCP&L and their crews are responding.

We remind you that power outages should be reported directly to JCP&L using one of the many methods available. You may call JCP&L at 1-888-LIGHTSS (1-888-544-4877).

Due to downed trees and/or wires the following main roads are closed until further notice. TENNENT between Church Road and Bauers Lane and all of UNION HILL ROAD WEST OF ROUTE 9. Other roads within developments throughout town are blocked. Marlboro Police are on the scene.

Please immediately report downed wires to JCP&L or dial 911. Never go near a downed power line, even if you think it is no longer carrying electricity.

Please stay home and off the roads allowing emergency vehicles quick passage.

As always, the Marlboro Police are available 24 hours a day at (732) 536-0100. For emergencies, please do not hesitate to call 9-1-1. Thank you in advance for your cooperation and assistance and stay safe.

Mayor Jon Hornik
