THIS IS WHERE WE NEED NO
CHEERLEADERS BUT OURSELVES.

THIS IS MY TEAM.

In Jr. Team Tennis six kids make a team. Six kids who turn up for each other week after week. Six kids who trust each other to call a ball in or out and cheer each other even when no one else is there. It's an amazing thing to watch and we're not just talking about the game. Sign up today. *Are you in?*
