Dear Neighbor,

Welcome to Marlboro Township and congratulations on your new home. Marlboro is a beautiful community with a rich history, strong schools and excellent public services. Our town is made up of 32 square miles that include parks, dedicated open space, varied recreational activities and plenty of shopping. We hope that you will visit our “e” welcome at www.marlboro-nj.gov/WELCOME to help you get to know your new hometown.

In 2012, we were the first in the country to launch an innovative tax incentive program. The ***Shop Marlboro Property Tax Reward*** program is a highly successful economic initiative that helps reward residents for keeping their shopping dollars close to home. When you shop at participating Marlboro businesses you receive a credit toward your property tax bill. Your Shop Marlboro card and instructions on registering for this exciting program are included with our welcome package or can be obtained at Town Hall.

Marlboro Township public schools are among the highest ranking K-8 school districts in the state with students who consistently win awards on the local, state and national levels. Marlboro High School is a part of the Freehold Regional High School District consisting of six high schools with opportunities to participate in learning centers and academies. Information on the two school districts may be found on their websites.

Our award-winning Recreation and Parks Department offers year-round recreational activities for residents of all ages and interests. Our Senior Director has a staff dedicated to providing a full complement of activities and events for active residents over the age of 60. The fun continues throughout the summer with a selection of summer camps for children, as well as a variety of outdoor community events. Our Township offers an award-winning summer swim club that boasts four pools, diving boards, slides and sporting facilities, all available to members at a reasonable membership fee.

We are very lucky to have two First Aid Squads and four Fire Departments all made up entirely of volunteers that are on call 24 hours a day, 7 days a week. The Marlboro Police Department is committed to providing the highest level of law enforcement services to our residents. They can be reached at (732) 536-0100. In the case of an emergency, always dial 9-1-1.

One of my administration’s major objectives is to keep our residents well informed. Information is available through a variety of electronic options including Email Notices, Reverse 911, Facebook and Twitter. Please visit our website at www.marlboro-nj.gov and click the blue "Communications for Residents" button on our home page. Consider any or all of these methods of communication which can be registered for using this one easy link. These paperless options are an immediate, cost effective and environmentally sustainable way of communicating with our residents. By providing a variety of communication methods it is our goal to be able to communicate with every resident even when some lines of communication are disrupted during weather emergencies.

I am extremely proud to be the Mayor of this wonderful community. If you have any questions please contact my office. I look forward to meeting you around town and know that you will enjoy living here in Marlboro Township.

Sincerely,

Jonathan L. Hornik
Mayor
