CITIZEN'S VOICE

Ms. Jo Anne Briggs representing Byron-Hill Builders made a presentation on the planned renovations and construction at the 42 Vanderburg Site. Site plans depicting the revised elevation of the existing home with a detached garage and covered porch were discussed, as was the three additional homes to be built. Her research into a potential street name using a variation of the Uriah Smock name did not yield favorable results. She proposed 'Blue Marl' as an alternative. The Historic Commission asked of the feasibility that the detached garage presently shown in front of the home and visible from the street be relocated to the rear of the property, however this would potentially eliminate the covered porch. She will send revised renderings for review.

CHAIRMAN'S REPORT

1. The Weekend in Old Monmouth Event on May 4th & 5th 2019 was a success. There were about 50 visitors to the Old Brick Reformed Church. Many visitors had ancestry questions, some didn't know the church was still active. The Commission will be better prepared for next year's event with banners, collateral materials, and pre-event advertising.

NEW BUSINESS

1. Desi offered that the Morganville Volunteer Fire Department is in receipt of some donated office equipment, and that we may be able to take advantage of a color copier for future Historic Commission-related events.
