Marlboro Township Council:

Jeff Cantor, Randi Marder, Carol Mazzola,
Scott Metzger, Mike Scalea

Dear Marlboro Township Residents

Dear Marlboro Township Residents,

Recycling is an important part of our commitment as a municipality. It is not only environmentally responsible but enables the Township to receive grants and rebates which ultimately improve services and reduce costs for residents. The single biggest defining factor in our success is you. Resident participation and adherence to the schedule keeps our roads clean and safe and helps prevent pollutants from entering our Township's water bodies. I am proud of the work we have done. Use this official recycling calendar as a resource so we can continue to work together on this important effort. The Recycling Calendar and schedule updates are available online at www.marlboro-nj.gov

We have just experienced a difficult year with unprecedented issues to face. We continue to strive to give the best service to our residents, balancing the necessities of public safety while adhering to State and County health guidelines for the welfare of our residents and staff. To reduce visits to Town Hall many services are available on line, including recycling bulk drop-off permits. The Recycling Center is fully open, but due to social distancing, the staff cannot assist you with disposing of your items. Our secure drop box in the Town Hall lobby entrance is open 24/7 and can be used for resident payments and documents for any municipal department. If a visit to Town Hall is needed, please make an appointment. Face coverings are required. The current municipal services update can be found on our website homepage at marlboro-nj.gov.

Perhaps the biggest change in our recycling services is the way we pickup leaves. For all the reasons cited in previous correspondence, almost every large town around us has required residents to bag leaves for a long time. To provide residential services while meeting our obligations to the Department of Environment Protection, we have chosen a hybrid approach for 2021. When we schedule curbside collections, we do so with two unknowns; the date leaves will fall and the date of our first snow. Last year, this resulted in earlier pickup dates occurring in some zones before the bulk of the leaves fell, as well as leaves in streets for a December snowfall. Marlboro is a large town, consisting of 16,000 residences and more than 300 miles of roadway within 32 square miles. It takes our Department of Public Works (DPW) a month to complete one cycle to clear lawn debris. Leaves fall later while unpredictable storms and earlier snow has impacted the ability to pick them up. Property owners and contractors, with no regard to the schedule, blow leaves into the street which remain there for months, blow back onto neighbors' lawns and create a mess in our roadways. Leaves block the road, clog sewers, cause flooding, and create icing and hazardous road conditions. Decomposing leaves on black top are environmentally problematic as they enter our waterways increasing the phosphorus and nitrogen in stormwater runoff leading to algae blooms which can harm aquatic life, create toxins, and impact waterfront economies.

To strike a balance between safety, environmental and quality of life concerns with residential services, the following is in effect for 2021:

- We will have one piled, loose leaf collection. To allow DPW the flexibility to account for weather and to 'collect where the leaves are', we divided

our 8 zones into two three week collection windows. Three (3) additional bagged only leaf collections are scheduled. Please see page 12 and the month of November for details and dates.

- The Township will provide biodegradable paper bags. Look for details on obtaining bags on the website, emails and other forms of communication.
- Leaves MUST be placed on your property near the curb or on the sidewalk, NOT in the street.
- Leaves must not be placed curbside more than a week prior to the first collection date.
- Once DPW has collected your street, they will not come again and subsequent removal is the responsibility of the property owner.
- If using a contractor, schedule accordingly and communicate regulations and dates. Yard waste placed for collection in an unauthorized manner must be removed or the property owner is subject to the penalties in Section 4.3 of the Municipal Code.
- In the event of a storm, curbside pickup may be postponed or cancelled by the Marlboro Office of Emergency Management (OEM). Leaf pickup may be delayed indefinitely and bagging leaves or having them removed by a contractor is strongly suggested.
- Notice of changes, emergency updates, info on receiving bags and more, are made via a combination of website posting, email blasts, Facebook, Twitter, Instagram, SWIFT 911 Police calls and texts.

A primary goal of my administration has been to keep people informed. We use many methods of communication as above, but we do not use all methods of communication in all scenarios, so we ask that you register for as many options as possible. We work to keep you informed and we only request that you take a moment to visit Marlboro-nj.gov and click the blue 'Resident Communications' box to learn more.

Please review the calendar and keep it handy throughout the year. It contains a wealth of information. Recycling is an important part of our Clean Communities Program and there are opportunities to volunteer. Your family or organization can be part of our Adopt a Site initiative. With normal schedules and the ability for family activities curtailed, think of this as a safe way to do something together while serving your community in a meaningful way. If you are interested in these or other volunteer opportunities, feel free to call my office 732-536-0200 x1200.

Thank you for being part of the work we are doing to keep our environment clean, our township safe, and maintain our quality of life.

Yours in Community,
Mayor Jonathan L. Hornik

AN IMPORTANT ENVIRONMENTAL MESSAGE

Marlboro Township remains committed to our local environment and the health and wellness of our residents. As part of our New Jersey Department of Environmental Protection (NJDEP) Stormwater Permit, Marlboro Township is required to reduce the amount of pollutants, discharging into the Township's water bodies. Harmful examples range from roadside litter and debris, sediments from erosion, nutrients and insecticides from lawn treatments, bacteria and pathogens from failing septic systems, salts from de-icing activities, to detergents from vehicle washings. These are environmental threats that as a community, we are all responsible for. Reduction in pollution through the State of New Jersey will directly improve the health of our streams and supporting habitats, therefore improving the quality of life for our population. In an effort to maintain our commitment, the Township has adopted several ordinances relative to pet waste, litter, improper disposal of waste, wildlife feeding, yard waste collection program and non-permitted connections to the Township storm sewer systems. To learn more about these ordinances please visit <http://www.marlboro-nj.gov/Stormwater-Plans/index.html>

Please remember, rain water washes pollutants into storm drains that discharge into our streams and oceans! Everyone can do their part to prevent pollutants from entering our storm sewers:

- Follow the directions on your fertilizer bag, do not apply before it rains and use only when necessary. Use natural slow-release nitrogen fertilizers. Use a mulching mower to reduce the need for fertilizer. Practice Integrated Pest Management (IPM), focusing on long-term prevention of pests or their damage through techniques such as natural deterrents, mechanical barriers, and use of resistant plant life varieties. Identify pest species before spraying and use

natural pesticides whenever possible. If needed, target chemical pesticides sparingly.

- Use drought-resistant native plants in gardens and beds. They require less fertilizer and water thereby reducing the amount of polluted runoff getting to storm sewers.
- Dispose of pet waste by placing it in a bag and throwing in trash or flushing down toilet without bag. Animal waste contains coliform bacteria, which is harmful to our health.
- Recycle used oil at certified facilities and maintain your vehicle to prevent leaks.
- Take your car to a service center to change oil or antifreeze. If you do change your own fluids, do it in a garage so it's not exposed to rainwater and NEVER discard oil, gas or antifreeze into storm sewers.
- Take your car to a carwash where water gets treated and recycled, or use a natural biodegradable cleanser.
- Pick up litter on your property and put it in the trash. NEVER throw litter and debris directly into storm sewer, including cigarette butts. Trash in the storm drains not only pollutes our waterways but clogs our storm drains which exacerbates street flooding.
- Bag leaves in bio-degradable paper for pickup or mulch in place to prevent clogged storm sewers and excess nitrogen and phosphorus in run off.

Let's work together to keep our waters clean! If you see trash in the street, built up on storm grates or on the lawn please remember that it ends up somewhere: in our local creeks, streams, ponds, river and eventually the ocean. Make a difference, pick it up and reduce water pollution.

Protect our water and our environment.

The Marlboro Township Department of Public Works (DPW) is responsible for leaf, brush, and snow removal as well as general repair for 730 named streets, covering over 213 miles of roadway, parking facilities, creation and placement of road signage, line striping and public information signs.

Did you know?

DPW maintains over 200 acres of Township parks, playgrounds and recreation areas, as well as all vehicles and fuel for the Board of Ed, Water Utility, Fire Companies and First Aid Squads.

DPW maintains all facilities including the Municipal Complex, the recycling yard, the Municipal Swim Club, Recreation Center, Public Library, Morganville Senior Center and all First Aid Squads.

DPW in partnership with Monmouth County hosts paper shredding and recycling events.

When available, residents can bring a container and shovel to the recycling yard and take home composted material for their garden.

MARLBORO TOWNSHIP DEPARTMENT OF PUBLIC WORKS

The Department of Public Works (DPW) is responsible for the maintenance of all public property including roadways and infrastructure. Among many functions, the Department manages the recycling, leaf, brush and bulk waste collection programs, is responsible for the upkeep of park and recreation facilities and the removal of snow from roadways.

The Township is divided into zones for purposes of scheduling and delivering services in the most efficient manner possible. On an annual basis, DPW publishes this calendar of services.

The Township provides numerous leaf and brush removal pickup dates, which means that debris is in or near our road and sidewalk areas during many months of the year. It is critical that all debris be placed for pickup in accordance with the published schedule and regulations of the Township. All curbside collection should be placed on your property near curb, not in street. After the pickup period has passed and the streets have been cleaned, no additional debris may be placed curbside until the next scheduled pickup for your zone. Aside from detracting from the appearance of our Township, debris left in the streets impedes the flow of stormwater and exacerbates flood conditions. It causes traffic and safety hazards for pedestrians, bicyclists and motorists and interferes with snow removal during the winter months. Landscapers or residents placing debris for

collection in an unauthorized manner shall be required to remove the waste from the public right of way. At any time of year, but especially during the winter, with leaf and brush removal coinciding with snow and ice accumulation, schedules necessarily become weather dependent. Complicating matters, trucks used for leaf and brush removal are also used for snow and ice removal. For example, trucks outfitted with sanders to treat the roadways cannot be utilized for leaf and brush pickup. As such, all curbside pickups are

"Weather Permitting". Based upon weather conditions and forecasts, the Office of Emergency Management (OEM) will determine if recycling, leaf, or brush collections will proceed according to the schedule. Residents will be notified in advance via Township email and social media if a collection will be postponed or cancelled, in which case no debris should be placed for collection.

CLEAN COMMUNITIES/RECYCLING

New Jersey Clean Communities has served as a source of financial support for Township programs since 1986. Specifically, program dollars have been utilized to offset the cost of recycling, park maintenance, road side cleanups, educational events and Community Pride Day. The Recycling Division Office also coordinates with volunteers to adopt and maintain areas of the Township. To "adopt a site" call Public Works 732 536-0188, or email publicworks@marlboro-nj.gov

RESIDENT COMMUNICATIONS

HOW DO I DISPOSE OF...?

Batteries	Household batteries are to be put in the trash. Rechargeable Batteries and Cell Phone Batteries are accepted at certain retail stores such as Batteries Plus, Home Depot and Lowes. Call 877- 2Recycle or visit http://www.call2recycle.org/nj for more information.
Brush	Picked up curbside as per schedule or may be dropped off at Recycling Center (see Brush Collection) or County Reclamation Center (see page 3)
Bulk Trash "Spring Clean-Up"	Picked up curbside in spring but may be dropped off at Recycling Center. A free of charge bulk permit is required (see Bulk Trash).
Construction Debris	Not accepted at Town Recycling Center. Can be brought to County Reclamation Center (see page 3) or curbside during bulk collection.
Electronics	Electronic items are accepted at the Recycling Center. No permit or fee. (TV, computer parts, almost anything with a plug)
Fluorescent Bulbs	Max. of 5 bulbs may be dropped off at Recycling Center. Certain retail stores such as Batteries Plus, Home Depot and Lowes will accept.
Grass Clippings	Rutgers University recommends cutting grass and leaving it on the lawn. The Monmouth Reclamation Center, 6000 Asbury Avenue in Tinton Falls, 732 683-8686 or www.co.monmouth.nj.us/reclamation accepts grass clippings and vegetative waste.
Hazardous waste	Includes paint, liquid gas, pesticides, car oil, car batteries and pool chemicals. Contact the Monmouth County Hazardous Waste Disposal Facility located at 3211 Shafto Road, Tinton Falls, 732 683-8686 ext. 5210 or www.visitmonmouth.com/HHW
Household Trash (Solid Waste)	Residents must independently contract for solid waste collection with a contractor that picks up in Marlboro like: Freehold Cartage 732-462-1001, M&S 732-471-8900, Marpal Disposal 732-542-2348, Solterra 732-727-0247
Latex paint	Dried out paint cans with lids removed may be disposed of with other household trash.
Leaves	Place in biodegradable paper bags for curbside pickup per schedule. May be dropped off at Town Recycling Center (see Leaf Collection) or County Reclamation Center (see page 3). Loose leaf pickup scheduled as per calendar. (see page 26 - November)
Medical Waste or "Sharps" (from the home)	Local Hospitals: Centra State 732 294-2574, Monmouth Medical 732 222-5200 and Jersey Shore Medical 732 776-4225.
Plastic Bags	Reuse when possible or recycle clean bags in bins provided at many retailers. Do NOT put curbside for recycling.
Prescription drugs	A drop box is available in the Marlboro Division of Police lobby, 1979 Township Drive, 24 hours. Remove all personal identification information from labels before disposing. No sharps.
Propane Tanks	Marlboro Recycling Center after valve has been left open for at least 24 hours.
Recyclables, Comingled	Comingled: NO plastic bags of any kind permitted curbside. Place Cans, glass, bottles, aluminum and plastic containers curbside in a rigid container-max. 32 gallons. Mixed Paper: Bundled newspapers, magazines, cardboard, Mixed paper. Picked up curbside or may be dropped off (see Recycling Collection, page 10)
Refrigerators	Call 866-NJSMART or visit http://www.njcleanenergy.com/ for up-to-date offers and forms. Appliances are also picked up curbside in spring during Bulk Pick-up (see page 11) or may be dropped off at Recycling Center (see Bulk Trash).
Tires and Rims	Max. of 4 may be dropped off at Recycling Center. Tires and rims must be separated. A free of charge bulk permit is required (see Bulk Trash).

RECYCLING COLLECTION

The Department of Public Works contracts with a private company for curbside recycling services. Recyclables are collected every other week by recycling zone and should be placed at the curb by 7:00am on the specified collection day. No pickup on Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and New Years Day. Special pickup days are noted in the calendar.

Recyclable containers should be rinsed and placed together (commingled) in an unlined, **rigid, reusable plastic container or garbage can**, no larger than 32 gallons. Covers should not be attached and both receptacle and cover should be labeled "RECYCLE". Only items at curbside will be collected.

Recycling not collected by evening? Leave curbside and email publicworks@marlboro-nj.gov

COMMINGLED CONTAINERS

(containers rinsed, no lids, labels ok)

- Aluminum or glass food and beverage containers.
- Iron cans
- Plastic containers (clear or cloudy) with the symbol #1 or #2 (with screw top only)
- Pigmented plastic containers with the symbol #2 (no HDPE) narrow neck containers only (detergent, shampoo bottles)

MIXED PAPER

- Newsprint
- Corrugated cardboard
- Magazines/Catalogs
- Cereal boxes
- Cardboard tubes (PT, TP, all paper removed)
- Printer/copier paper, office paper no wax liner, envelopes
- Junk Mail
- Wrapping paper—non metallic

NO PIZZA BOXES, ALUMINUM FOIL, FOIL PANS, GLASSWARE, CERAMICS, PAPER PLATES/CUPS
NO PLASTIC BAGS CURBSIDE - RECYCLE AT GROCERY STORES WHERE ACCEPTED

NO PLASTIC BAGS OF ANY KIND ARE PERMITTED AT CURBSIDE PICKUP

Plastic bags placed in recycling containers or recycling placed curbside in a plastic bag will prevent all recycling from being collected.

RECYCLING CENTER

HOURS OF OPERATION

- Mondays and Wednesdays: 8:00am - 1:30pm
 - Saturdays: 8:00am - 4:00pm
- May vary due to holidays. See Calendar.

BULK TRASH PERMIT

A Bulk Permit (free of charge) is required to bring bulk trash to the Recycling Center. It can be easily obtained online at www.marlboro-nj.gov/documents/forms-permits-licenses - proof of residency required. Contact the Recycling office at 732-536-0188 Monday to Friday, 7:00am - 3:00pm or email publicworks@marlboro-nj.gov for more.

GUIDELINES

- Marlboro residents with proof of residency only (Driver's License or utility bill).
- No vehicles with commercial, farmer or dealer plates.
- Only clean recyclables are accepted at the Center.
- No items may be left outside the fence when the facility is closed.
- No hazardous materials, concrete, bricks or construction debris are accepted.
- Leaves must be emptied from non-biodegradable bags or containers.
- Brush must be bundled in accordance with Township regulations.
- Cardboard must be bundled in 2' x 2' x 1' stacks.
- Propane tanks must be emptied with valves open for at least 24 hours.

PUBLIC WORKS EMERGENCIES

The Recycling Center may close in the event of emergencies including snow or ice removal, and on holidays as noted in this calendar.

BULK/SPRING CLEAN-UP COLLECTION

The Department of Public Works contracts with a private company for the annual Spring Bulk Trash Collection and takes place by zone per schedule (see calendar). Place items on your property near curb, not in street. Items collected include household items such as sofas, chairs, tables, carpeting, refrigerators, washers, dryers, ovens, barbecue grills (without the propane tank) and toys. Items to be picked up must be placed neatly at the curb by 7:00am of the first scheduled pickup day. Once a street has been completed, the contractor will not return to that street.

- Appliances such as refrigerators, washers and dryers must have doors removed (note that the contractor may collect these items in a separate pickup).
- Fencing, decking and other discarded lumber must be cut to a maximum length of four (4) feet. Treated lumber will not be accepted.
- All containers and drums must have one end removed to ensure that no liquid, chemical or hazardous materials are present.
- Separate metal from other debris.
- No single item may weigh more than 300 pounds, and the total items placed at any residence must not exceed more than five (5) cubic yards. Do not combine your bulk with your neighbor's bulk.
- All metal and wood swing sets must be disassembled and concrete footings removed for pickup.
- Remove or hammer down all nails from wood/ construction debris or fencing.

2021 COLLECTION SCHEDULE BULK TRASH ONLY

Zones 6 & 7	Week of April 19
Zones 2 & 4	Week of April 26
Zones 1 & 8	Week of May 3
Zones 3 & 5	Week of May 17

EXCLUDED ITEMS

- Batteries (all types)
- Bricks
- Cardboard (Recycle curbside)
- Car Parts
- Closed barrels or drums
- Concrete or concrete filled items
- Items/Containers in excess of 300 lbs.
- Electronics (televisions, computers, etc.) may be brought to the recycling center. No permit or fee required.
- Dirt
- Excessive construction debris
- Hazardous materials
- Liquids of any type
- Paint in cans
- Propane tanks
- Rocks, stones or slate
- Tires
- Treated lumber or fencing
- Vegetative waste (grass, leaves, brush, branches, logs, tree stumps, etc.)

RESIDENTS MAY BRING BULK TRASH TO THE RECYCLING CENTER. SEE RECYCLING CENTER GUIDELINES.

BRUSH COLLECTION

Brush is to be placed curbside by 7:00am on the first day of the scheduled pickup week, free of leaves or other debris. Weather permitting, it generally takes approximately one week to complete each zone. Once a street has been completed, the Department of Public Works will not return to that street. For the safety of pedestrians and motorists, brush should be placed at the curb no earlier than one week prior to the first scheduled collection date.

All brush is to be cut to a maximum length of six (6) feet and a maximum diameter of four (4) inches and should not exceed fifty (50) pounds in weight. Branches less than one inch in diameter shall be tied in neat bundles no more than four (4) feet in length and two (2) feet across. The total amount placed for any single collection shall be no more than ten (10) cubic yards or three (3) feet by three (3) feet by thirty (30) feet. **Brush comingled with leaves, grass, rocks, stumps, construction debris, fence posts, etc., trash or recyclables will not be collected.**

2021 COLLECTION SCHEDULE BRUSH ONLY

Zones 3 & 5	Week of	2/1	3/1	5/3	9/27
Zones 2 & 4	Week of	2/8	3/8	5/10	10/4
Zones 1 & 8	Week of	2/15	3/15	5/17	10/11
Zones 6 & 7	Week of	2/22	3/22	5/24	10/18

RESIDENTS MAY BRING BRUSH TO THE RECYCLING CENTER. SEE RECYCLING CENTER GUIDELINES.

Christmas Tree Pick Pickup

All Zones—Weeks of January 11 and January 18

Leaves and brush may not be blown or placed in the street or block the right-of-way. It can cause flooding, traffic safety issues and is dangerous for pedestrians, motorcycles and bicyclists.

LEAF COLLECTION

2021 leaf pickups will be bagged with one loose leaf pick up in fall per schedule below. Loose leaves will be picked up over the course of weeks to facilitate flexibility for our Roads Department, allowing for weather conditions and other emergent situations. All pickups (bagged and loose) must be placed **on your property near the curb by 7am** on the first day of the scheduled period for your zone per dates indicated below. Leaves commingled with brush or other debris will not be picked up. After a zone has been completed, the Roads Department will not return for late curbside placement.

Debris should be placed on your property near the curb, never in the street, following schedule. **Homeowners and landscapers must follow schedule and leaf pickup regulations and are responsible for the removal of leaves if schedule and rules are not followed.** Per NJDEP regulations and Township ordinance (Chapter 320, Section 15: 320-15) **Violations of schedule/regulations as specified are subject to penalties.**

NOTE: Weather patterns, wind, rain and snow impact leaf collection. Loose leaves spread on roads and properties, block storm drains, exacerbate flooding, icing, and road hazards, and cause an unsightly mess which can blow back onto neighborhood lawns. Decomposing leaves in streets causes excess nitrogen and phosphorus in the runoff to waterways, contributing to algae blooms which can have an adverse effect on water ecosystems and waterfront economies. **Adherence to the rules is critical for quality of life and the public safety.**

Weather Permitting

The Office of Emergency Management (OEM) will notify residents via email and social media whether or not collections will be suspended due to weather conditions, in which case no debris shall be placed curbside.

Residents may bring leaves to the Recycling Center. Refer to "Recycling Center Guidelines".

Frequently Asked Questions

1. What zone am I in?

Refer to the Street by Street zone listing in this calendar, call 732 536-9295 or email publicworks@marlboro-nj.gov

2. What happens if I put items out after the scheduled pick up date?

Recyclables, bulk trash, leaves and brush may be brought to the Municipal Recycling Center or you may contact a private hauler.

3. What should I do if my recycling collection is missed?

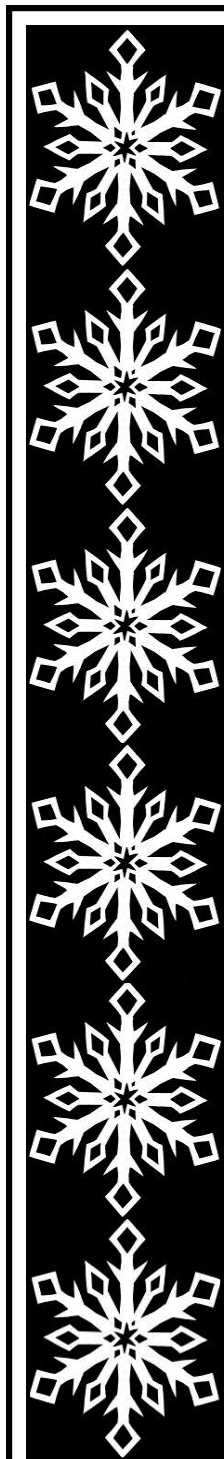

If you placed your recyclables curbside prior to 7:00am on your scheduled pick up day and recyclables are not collected by 5:00pm, call the Recycling Office at 732 536-9295 or email publicworks@marlboro-nj.gov.

4. How do I obtain a bulk trash permit?

Residents are permitted to bring bulk trash to the Recycling Center. A free of charge bulk trash permit is required. Permits can be easily obtained online at <https://www.marlboro-nj.gov/documents/forms-permits-licenses-proof-of-residency-required>. Contact the Recycling office Monday through Friday, 7:30am to 3:00pm. Call 732-536-0188 or email publicworks@marlboro-nj.gov. Refer to "Recycling Center Guidelines".

5. Who do I call if my street light is out?

Street lights are owned and operated by Jersey Central Power and Light (JCP&L). JCP&L can be reached at 1-888-LIGHTSS (888-544-4877)

SNOW REMOVAL FACTS AND GUIDELINES

Snow removal activities are conducted by the Department of Public Works and private contractors. The following rules, facts and tips are offered so that DPW can safely and efficiently remove snow and ice from Township roadways:

Rules

- No debris (including leaves and brush), garbage cans or basketball hoops shall be placed in roadways. Anything left in the roadway during winter weather conditions impedes the Township's ability to clear the streets, increases the risk of damage to your property and jeopardizes the safety of the equipment operators.
- When snow is on the way, all vehicles and obstructions must be removed from the roadways.
- Snow may not be shoveled, blown or plowed into the roadways.

Facts

- Marlboro is 32.5 square miles and DPW is responsible for clearing over 200 miles of roadway.
- Roads are generally treated with de-icing agents two times during one storm event, once prior to and once following snow removal.
- DPW will open the roads on the first pass and then plow curb-to-curb.
- In the event of 4 inches of snowfall, it takes approximately 10 hours to complete one circuit through the Township.

Tips

- **Wait until DPW has made one pass before clearing your driveway.**
- Parking vehicles in your driveway gives you less snow to remove and a drier surface.
- Arrange cars so that the first car that has to get out is the last parked in your driveway.
- When clearing snow, where possible, pile the snow to the right of the driveway (looking out to the street from your house).
- The United States Postal Service asks customers to clear enough snow from their mailboxes to allow mail trucks to approach the box, deliver the mail and drive away.
- Fire hydrants located on your property should be cleared of snow to prevent the lines from freezing and allow access in case of fire.

MARLBORO TOWNSHIP

SURVIVING THE SNOW

**NEVER TOUCH
DOWNED LINES!**

REPORT DANGER
TO THE POLICE
ALWAYS DIAL

9-1-1

IN CASE OF
EMERGENCY

Dear Neighbor,

I am pleased to include our **Surviving the Snow** brochure in our calendar arriving to homes every winter. It is a continuation of **Plan and Prepare** included within previous annual mailings and available on the Marlboro Township Website. Unpredictable weather conditions and unusual snow fall has become a regular part of New Jersey winters and this brochure offers tips and information on Surviving the Snow whether it is an early November light powder, a mid December ice storm or a late March heavy slush.

Our Department of Public Works is on the job day and night when expecting severe weather of any kind, with countless hours of prep before, and time in the field during and after a snow event. Snow is challenging and Marlboro Township has been a leader in keeping over 200 miles of roadway clear and safe. Our bagged leaf program has been initiated due to recent weather patterns where wind, rain and snow have impacted collection dates, spreading leaves on the roads and neighboring properties as well as blocking storm drains resulting in flooding, icing and road hazards. Your safety is our first concern.

We are fortunate to have volunteer 1st Aid Squads, Fire Departments and a Community Emergency Response Team (CERT), as well as a Police Department that is always ready to assist. For non-emergency situations, please call Marlboro Police at 732-536-0100. Always dial 911 for emergencies. Be assured that if you have an emergency, our teams will get to you, even if your street or driveway has yet to be cleared.

Please help by following the tips provided here, keeping informed and helping your friends and neighbors to do the same. Visit our website and register to receive news by phone, email and follow us on social media. If you do not have a computer you may register your phones by calling (732) 536-0100 ext. 1412.

Together as a community, we can weather any storm.

Mayor Jon Hornik

TO REPORT POWER OUTAGES: CALL JCP&L 1-888-LIGHTSS (1-888-544-4877)

PLAN AHEAD! go to https://www.firstenergycorp.com/help/communication_tools.html for ways to report issues and how to get JCP&L updates. 14

IMPORTANT INFORMATION

Marlboro Township is 32.5 square miles and

our **Department of Public Works (DPW)** is responsible for over **200 miles of roads**. This does not include State and County roads or roads in private developments.

Roads are treated twice during a storm event; before and after melt and re-freeze, and may be treated a third time if over 24 hours.

It takes about 10 hours for DPW to clear a 4" snowfall. More snow takes proportionately more time. For example, it will take about **20 hours to clear an 8" snowstorm.**

All vehicles and any obstruction must be removed from the street to allow for snowplow access.

Do not shovel or blow snow into roadway. This causes a hazardous condition and is a violation of Marlboro Township Ordinances.

Parking on driveway will decrease the amount of snow to shovel and allow for a drier surface when pulling out. Park vehicles on your driveway so that the first car that has to get out is the last one parked.

Property Damage, such as basketball hoops, hockey nets, potted plants, etc. that are damaged during snow removal are NOT the responsibility of Marlboro Township. Remove such items prior to snow fall. If **Damage to your Mailbox** occurs during plowing, please call Public Works at 732-536-0188.

Please be aware that snowplows will deposit snow at the end of your driveway. As plows drive by, snow will fall into an empty space. To lessen the volume, wait to shovel or leave 4 feet of snow at end of your driveway until after the snowplows have completed at least one pass.

REPORT POWER OUTAGES TO JCP&L AT 1-888-LIGHTSS

Freezing Rain - Rain that freezes when it hits the ground, roads, walkways, trees and power lines.

Sleet - Rain that turns to ice pellets before reaching the ground. Sleet causes roads to become slippery.

Winter Weather Advisory - Winter weather conditions are expected to cause significant inconveniences and may be hazardous.

Winter Storm Watch - A winter storm is possible in your area. Tune in to NOAA Weather Radio, commercial radio, or television for more information.

Winter Storm Warning - A winter storm is occurring or will soon occur in your area.

Blizzard Warning - Sustained winds or frequent gusts to at least 35 miles per hour, falling or blowing snow, reduced visibility conditions lasting 3 or more hours.

Frost/Freeze Warning - Below freezing temperatures are expected.

CHECK YOUR CAR

Check or have a mechanic check your car: Antifreeze levels, battery and ignition system, brakes, exhaust system (carbon monoxide is deadly and usually gives no warning), fuel (a full tank prevents fuel line from freezing), air filters, heater and defrost, lights and hazards, oil (heavier oils may congeal in cold and may not lubricate as well), thermostat, Windshield wipers, good winter tires - (consider chains or studded snow tires). **Have on hand:** scraper, portable shovel, sand and/or salt, snacks, boots, warm gloves, car lock de-icer.

KNOW THE TERMS

SUPPLY YOUR HOME

Before winter approaches, add these supplies to your emergency kit and assure that these are accessible in extreme snow conditions:

Rock salt or more environmentally safe products to melt ice on walkways. Visit the Environmental Protection Agency for a complete list of recommended products.

Sand to improve traction.

Snow shovels and other snow removal equipment.

Sufficient heating fuel. You may become isolated in your home and regular fuel sources may be cut off. Store a good supply of dry, seasoned wood for your fireplace or wood-burning stove.

Adequate Clothing and Blankets for warmth.

Water Proof Gloves and Boots on hand.

Weather Sealing Tape to temporarily address drafts or broken windows due to storm damage.

Flash Lights, Batteries and Portable Chargers in case of power outage.

It is critical to STAY INFORMED

Information is available through a variety of electronic options including Email Notices, Swift 911, Facebook and Twitter. Please visit our website at www.marlboro-nj.gov and submit your email in the blue box. Follow the link to Communications for Residents for all options. Consider any or all of these methods of communication which can be registered for using this one easy link. These paperless options are an immediate, cost effective and environmentally sustainable way of communicating with our residents. By providing a variety of communication methods it is our goal to be able to communicate with every resident even when some lines of communication are disrupted during weather emergencies.
