

LEGO MOTORIZED MODEL BUILD

Shiver me timbers as we explore the popular culture behind the life of a pirate! Build a motorized pirate ship, a helm and an anchor, as we batten down the hatches and prepare for mutiny. Protect the hands on deck by building a launching trebuchet. Beware me mateys, if it's too late, you must abandon ship and build a rowboat to escape. Watch out for crocodiles! Anchors aweigh!

Each child gets One Minifigure & One Mini model to take home.
