Dear Ms. Paris:

I am the attorney for the applicant in reference to the above matter. I am writing in response to your recent inquiry requesting further details about the proposed operation of the daycare and school on the subject property.

The applicant proposes approximately 48 students for the school use. The students will be grades 1 through 5 and the hours of operation will be 6:30 a.m. to 8:00 p.m. Eight employees will be required to service the school.

The applicant proposes approximately 85 children for the daycare ages 0 through kindergarten. The daycare will have 13 employees required. The hours of operation will be the same as the school hours. The applicant will be required to obtain a license from the State for both uses.

Very truly yours,

Salvatore Alfieri
